THE SUBCONTRACTORS' ASSOCIATION OF THE METROPLEX

presents its

LIEN AND BOND SEMINAR

*General contractors continue to erode the rights of subcontractors, and to chisel away at your profitability. One of the few ways you can protect your right to payment is the Texas Lien and Bond Law, created by the Texas Legislature (remember them?) For artisans, laborers and materialmen- people like you, your best "payment insurance" is EDUCATION- learn your rights, learn the steps you can take to protect and perfect your rights, and **GET PAID** for your work.*

Sewall C. "Spike" Cutler, of CUTLER ■ SMITH, P.C., will present a common-sense approach to protecting your rights under the law, from the bid stage to the punchlist. *Don't be left "holding the bag"!*
