SAM welcomes **Arash Mirzaei, Senior Program Manager with the
NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS –**

PLANNING FOR GROWTH IN NORTH CENTRAL TEXAS

You already know we are growing better here than anywhere else -- learn just how much better, and how you can benefit! The North Central Texas Council of Governments is vital in assessing where and how we will see growth, and planning to support and encourage that growth, with infrastructure planning and aggressive coordination of efforts between the cities and counties of North Texas. **YOU NEED TO KNOW WHERE WE’LL GROW - SO YOU CAN GROW, TOO!**

Business Practices - Contractor Information

New General Contractors are arriving from out of state, to try to dip their toes in the Texas pool. Bring your inquiries about Contractors you’re thinking about dealing with, to hear the experiences of other SAM members in dealing with them. Also, don’t miss the **latest roll up of lien filings**, to learn who is struggling to pay their bills.

Do not miss this opportunity to make your voice heard, ask questions and get involved.
