

**TEXAS CONSTRUCTION  
SAFETY GROUP**

## There really is safety in numbers!

*And lower costs, too.* Joining the TCA-endorsed Texas Mutual Safety Group can help you lower your workers' comp premiums and have access to customized safety services.

### **Earn two potential dividends.**

Members may be able earn rewards two ways – through group and individual dividends. Dividends can't be guaranteed every year, but Texas Mutual has returned more than \$2.2 billion to safety-conscious policyholders since 1999.

### **How does it work?**

It's easy. Just ask your agent to place you in the Texas Mutual Texas Construction Safety Group. You win with powerful tools to increase safety and get rewarded with two potential dividends and lower premiums.
